

Evolution X2 Antibacterial Multi- Surface Cleaner

Description

Part of the Evolution X2 Range - an easy to use, lightweight spray system which instantly mixes water and a concentrate without the need to measure. No need for wall mounted dispensers or professional installers. One cartridge produces the equivalent of over 12x750ml ready to use triggers.

A highly effective food safe un-perfumed cleaner and sanitizer for most hard surfaces, including work surfaces, microwaves, floors, tiles and chopping boards. Always test on an inconspicuous area prior to use. Product is alkaline, so take care on surfaces sensitive to a higher pH. Complies with EN1276 and EN13697. Use biocides safely and sustainably. Always read the label and product information before use.

Directions For Use

Insert the cartridge containing Antibacterial Multi-Surface Cleaner into the rear position of the X2 Spray System. Turn the locking mechanism to securely hold the cartridge in place. Fill the water cartridge with cold water from the tap. (Keep the cartridge so you can reuse it). Insert the full water cartridge into the front of the X2 Spray System ensuring that the cartridge locks into place securely against the concentrated product cartridge.

General Cleaning: Spray on to a clean damp cloth or paper towel and apply to surfaces. Can also be applied directly to the surface. Pay particular attention to corners, edges and undersides of surfaces.

For heavily soiled surfaces, apply and leave for 5 minutes. Wipe away with a clean, damp cloth.

For lightly soiled surfaces, apply and leave for 30 seconds. Wipe away with a clean, damp cloth.

Product Codes

EV3/X2

Storage

Store in cool conditions away from direct sources of heat.

Avoid extremes of temperature.

Do not allow to freeze.

Ensure the cap is tightly fitted after use.

Keep out of reach of children.

Shelf Life

Shelf life 24 months, if stored as recommended. Use within 6 months of opening.

Environmental

Do not allow large quantities of neat liquid to enter surface waterways.

This product uses recyclable packaging.

Phosphate-free.
