

Evolution X2 Window & Stainless Steel Cleaner

Description

Part of the Evolution X2 Range - an easy to use, lightweight spray system which instantly mixes water and a concentrate without the need to measure. No need for wall mounted dispensers or professional installers. One cartridge produces the equivalent of over 12x750ml ready to use triggers.

A surfactant based cleaner that effectively cuts through the atmospheric grime and nicotine soil. Also, ideal for cleaning and polishing stainless steel where a streak-free finish is required.

Directions For Use

Insert the cartridge containing Window & Stainless Steel Cleaner into the rear position of the X2 Spray System. Turn the locking mechanism to securely hold the cartridge in place. Fill the water cartridge with cold water from the tap. (Keep the cartridge so you can reuse it). Insert the full water cartridge into the front of the X2 Spray System ensuring that the cartridge locks into place securely against the concentrated product cartridge.

Apply product to a clean paper wipe. Wipe surface to be cleaned.

Buff surface with a clean paper wipe for a streak-free finish.

Repeat steps 1 and 2 for heavy soiling.

Product Codes

EV8/X2

Storage

Store in cool conditions away from direct sources of heat.

Avoid extremes of temperature.

Do not allow to freeze.

Ensure the cap is tightly fitted after use.

Keep out of reach of children.

Shelf Life

Shelf life 24 months, if stored as recommended. Use within 6 months of opening.

Environmental

Do not allow large quantities of neat liquid to enter surface waterways.

This product uses recyclable packaging.

Phosphate-free.
