

TEQUILA ROSE

Distillery Location:

USA

Types of Spirits Made:

Tequila

TEQUILA ROSE ESSENTIAL FACTS

Tequila Rose is a Mexican cream liqueur. It is a mixture of strawberry cream liqueur and tequila. The tequila is very subtle and really only gives a spirit flavor to the liqueur. The strawberry and cream flavors are predominate and this tastes more like a strawberry milkshake than a tequila based liqueur.

Dietary Information

Contains **Milk**

Contains **Nuts**

Contains **Rye**

Contains **Wheat**
