

# Captain Morgan Spiced Rum 70cl

- layers of flavour and harmonious in taste. The nose and palate are a blend of clove and caramel notes
- After being triple distilled, Captain Morgan is matured in charred American oak barrels that help to create its distinctive dark qualities
- Captain Morgan works brilliantly with a wide range of mixers, particularly lemonade and ginger ale; juices such as orange, apple, cranberry and pineapple; and cola, where its vanilla flavours are deliciously accentuated
- Serve with cola or ginger ale, plenty of ice & a twist of lime
