HANDLING & STORAGE INFORMATION

Directions For Use

Remove film and defrost at room temperature for 2 hours. Serve at room temperature. Once defrosted, store in a cool, dry place. Do not refreeze once defrosted. Consume within 2 days.

Storage Instructions

Keep Frozen Store at -18°C As we do not add stabilisers, 'blooming' may occur on the icing. This is caused by temperature-sensitive ice crystals developing during storage. This poses no risk to food safety. The small crystals will disappear on defrosting.

| Shelf Life from Time of Production | 240 Days |
|------------------------------------|----------|
| Exempt From Shelf Life Labelling | No |
