

# McGuigan Zero

## NV ROSÉ

Free from alcohol, full in flavour, the McGuigan Zero range is a contemporary alcohol-free range that allows you to enjoy wine without the alcohol. The flavour profile and characteristics of each variety are as you would expect, proving that you don't need alcohol to enjoy a full-flavoured experience in the glass. Perfect for any occasion where you want to enjoy wine without the alcohol.

**Winemaking** | With our dedicated winemakers overseeing our Alcohol-Free Wine program, we have had 15+ years' experience in Low/No alcohol wine production. Making alcohol-free wine starts with our winemakers crafting the correct style and quality of wine required to produce the best alcohol-free wine possible. Post fermentation, we use the latest spinning cone technology, working at low temperatures to gently remove the alcohol, ensuring the wines maintain their delicate fruit flavours. Our wines are all grape-derived, with no artificial sweeteners or additives used in the process ensuring our alcohol-free wine is of the highest quality possible.

**Tasting Notes** | Bright, lifted aromas of delicate red fruits complemented with hints of rose petal. The palate is generous, with flavours of strawberries and pink grapefruit, leading to a crisp and refreshing finish.
