About

Prosecco, Italy's famous sparkling wine hails from the Veneto region. Unlike Champagne, Prosecco is produced using the Charmat method in which the secondary fermentation takes place in stainless steel tanks. This process makes Prosecco an incredible, joyful wine to drink young and fresh.

Filipetti was founded in 1922 and is produced by Perlino a respected business with a history dating back more than 100 years. Their guiding principle is quality in every thing they do, from the vineyards to the winery and their finished packaging.

Winemaking

Grapes are pressed and only separated from their skins after 48 hours when the perfect amount of colour and flavour has been added to this bright and lively Rosé Prosecco.

Tasting Notes

Crisp with fruity notes and hints of rose petals and strawberries. This delightful Prosecco is well-balanced, with a soft texture and full with good length. Extra Dry.

Ideal as an apéritif or with finger food, canapés and light seafood dishes.
