

Adnams Shiraz, South Eastern Australia

Grape Variety:	100% Shiraz
Country:	Australia
Region:	South Eastern Australia
Case Size:	6 x 75cl
Product Code:	11428

Tasting Note:

One of the classic varieties for Australia, well known for producing full flavoured Shiraz wines, this has all the characteristic savoury aromas and brooding dark fruit on the palate. Bright red in colour with soft spicy redcurrant fruit and a smooth finish.

Background Product Information:

In the Adnams Countries Range, you will find the familiar flavours of wines you know and love, and those you've really got to try. We've searched the world for quality examples of each style, so you can grab a bottle of your go-to or find the perfect introduction.

Shiraz is synonymous with Australia. The most planted grape in the country is at home in this wonderfully warm climate, where it ripens to perfection. Our bold shiraz is imbued with the classic, brooding aromas of dark plummy fruit, with a touch of redcurrant and spice in there too. Its smooth finish makes it great on its own, or with whatever you've got grilling.

Allergen & Dietary Information:

Contains sulphites.
