Brand Marketing

Coca-Cola and the Environment

Coca-Cola is committed to making a positive difference - to the health of the planet, consumers and the communities it serves. The company is working hard to reduce its impact on the environment in everything it does - growing more while using less in areas such as energy and water use, waste reduction and recycling - and by encouraging people to think more about the positive impact they can have on their local environment.

Other Information

Contains caffeine

This product is allergen free

Contains added preservatives

Contains added intense sweeteners

Can - Metal - widely recycled

Further Description

Some people are impossible to please. As soon as they get what they thought they wanted they always want more. Our team riders and Monster Girls are no different..... they've been dropping some hints lately.

They've been asking us for a new Monster drink. A little less sweet, lighter-tasting and zero calories, but with a full load of our Monster energy blend.

Sure, white is the new black. We went all out: Monster Energy Ultra
