### Brand Marketing

#### Coca-Cola and the Environment

Coca-Cola is committed to making a positive difference - to the health of the planet, consumers and the communities it serves. The company is working hard to reduce its impact on the environment in everything it does - growing more while using less in areas such as energy and water use, waste reduction and recycling - and by encouraging people to think more about the positive impact they can have on their local environment.

### Other Information

Contains caffeine

This product is allergen free

Contains added colours  
Contains added preservatives  
Contains added intense sweeteners

Can - Metal - Widely Recycled

Manufactured under the authority of Monster Energy Limited

### Further Description

Banzai Pipeline, the world's most famous wave, on Oahu's fabled North Shore comes alive for just a few brief months every winter. In honour of this epic force of nature, we created Juice Monster Pipeline Punch.

The perfect blend of the best flavours Hawaii has to offer - passion fruit, orange & guava then "Monsterised" with a full load of our famous energy blend.

And, just like the wave it was named for, it is destined to become a legend!  
Unleash the Beast!
