Comments:

Finished product microbiological sampling is carried out to an annual schedule which covers the full Fosters Product range

Fosters Bakery has carried out a hazard analysis and prepared a HACCP plan describing the critical control points (CCPs). The HACCP plan is supported by a comprehensive prerequisite program implemented in Fosters Bakery' GMP practices. The product is produced according to

Fosters Bakery' HACCP plan, GMP practices, and additional requirements controlled by

Fosters Bakery' Quality Management System.

ISSUE AUTHORISATION

P1208/ - Batched Soft White Roll (floured) Sliced 8 x 6

WARRANTY: Fosters Bakery (Staincross) Limited hereby warrants that all foods, ingredients and packaging supplied shall comply with all relevant UK legislation and statutes including all regulations, statutory instruments, Directives, Orders, Decisions or other requirements made thereafter.

A documented vulnerability assessment has been undertaken for all raw materials and information received from approved suppliers in regards with their supply chains and raw material integrity which underpins the current document.

Fosters aims to supply product of the agreed specification; at times this may require slight adjustments to the recipe to accommodate natural variations in raw material (especially flour). Fosters will not add an ingredient not already agreed in the recipe or make substantial changes that affect the nutritional declaration within the standard acceptable tolerance.
