About

Chile's stunning landscapes have inspired some outstanding poetry, two of these poets were Nobel prize winners. The 'Pais de Poetas' or 'Land of the Poets' range is a tribute to this beautiful country and the writers it inspires.

This wine is made using traditional methods, only the best quality grapes are selected. The fermentation takes place at low temperatures, in stainless steel vats, to preserve the fruit, freshness and concentration of aromatic components in the wine. This wine is kept on the lees for 2 months before bottling to add subtle flavours to the wine. The wine is unoaked.

Tasting Notes

A delightfully crisp and zesty Sauvignon Blanc from Chile's Valle Central. It combines ripe citrus and gooseberry with herbaceous notes of grass and lemon verbena.

Best served chilled on its own, or with roast chicken, fresh shellfish, or a herby salad.
