Deep ruby red in colour with ripe black cherry and blackberry flavours.

Background Product Information:

Doppio Passo gets its name from the 'ripasso' style of winemaking - a technique that involves a short second fermentation on the pulp and skins left over from the first fermentation to give extra body and texture.

The winery also uses a proportion of later harvested, super-ripe grapes in the blend to give this wine a silky-smooth texture with plump, jammy fruitiness.

Allergen & Dietary Information:

Contains sulphites. This product is suitable for vegans and vegetarians.
