VINEYARDS: The grapes for Elsa Malbec come both from our family vineyards as well as from associated producers, all of these in San Rafael, Mendoza. Our own vineyards are: Finca Doña Elsa and Finca Asti, both of these at an approximate altitude of 750 m.a.s.l. They have poor, alluvial-origin soils, with a loamy-sandy texture and some calcareous sediments which provide minerality notes to the wine.

WINEMAKER'S NOTES: Very attractive and profound purplish color, typical of young Malbec wines. Intense, aromatic fruit-forward expression with evidence of ripe red fruit and notes of violets, accompanied by a subtle minerality. In the mouth, it has a sweet entry, round and soft tannins, balanced acidity, and medium structure.
