

BRAVÍO CHARDONNAY 2023

Grape varieties : 100% Chardonnay

Analysis

- Alcohol : 13%
- pH : 3,29
- Residual sugar : 4,1 g/l
- Total acidity : 6 g/l

Tasting notes

Clean bright straw-yellow color. Elegant and expressive in the nose, with highlighted tropical fruit aromas. Balanced fresh acidity in the mouth, accompanied by sweet notes, good volume and persistence on the palate.

Valley description

The grapes and wines are sourced from the Central Valley – a valley that contains multiple distinct micro climates and soils, contributing a unique typicity to the wines. The high Andes mountain range, the intermediate lower valley and the Pacific Ocean all influence the Central Valley greatly, giving unique characteristics of freshness, concentration and ripeness in the different zones.

Contains Sulphites
