

LIN18

Lincolnshire Poacher 2.25kg

Lincolnshire Poacher 1x

PRODUCT DESCRIPTION

The cheese is made a little bit like traditional West Country Cheddar though we have several key differences in our recipe that give Lincolnshire Poacher its own unique flavour and texture. It is matured for 14-24 months and although the taste varies with the seasons it usually has a distinctive fruity, nutty taste with a clean sweet finish. It has been described as sitting somewhere between the continental hard mountain cheeses (such as Comte) and traditional West Country Cheddar.
