

Parmiggiano Reggiano 2kg

Parmiggiano Reggiano

PRODUCT DESCRIPTION

Hard, cooked and slowly matured cheese, made from raw, partially skimmed cow's milk. Parmesan Reggiano is a traditional cheese of Italy, and one of the most popular exports of this country. It has a firm texture coupled with the crunchiness of the crystalised amino acids that have naturally formed during the maturation process. There are many ways in which to enjoy this cheese; coupled with pears and traditional balsamic vinegar to give a thorough contrast in flavours, or grated over dishes such as tagliatelle.
