About

Prosecco, Italy's famous sparkling wine hails from the Veneto region. Unlike Champagne, Prosecco is produced using the Charmat method in which the secondary fermentation takes place in stainless steel tanks. This process makes Prosecco an incredible joyful wine to drink young and fresh.

Filipetti was founded in 1922 and is produced by Perlino a respected business with a history dating back more than 100 years. Their guiding principle is quality in every thing they do, from the vineyards to the winery and their finished packaging.

Winemaking

This excellent Prosecco has been made with 100% Glera grapes from within the specified DOC region, this authenticity ensures a consistent and high quality wine.
