

Taylor's Late Bottled Vintage Port 75cl Bottle

Late Bottled Vintage was developed as an alternative to Vintage Port for more informal occasions. Produced from wines from a single harvest, it shares the heritage and the complex rich fruity character of a classic Taylor Vintage. However, the longer time spent in large oak vats means that it is ready to drink when bottled and needs no decanting. It will remain in good condition for several weeks after the bottle is opened. Superb with cheeses, dark chocolate or berry fruit flavoured desserts, Taylor's LBV can also be served as the perfect finish to any meal.
